Your story begins in the magical kingdom of Ulmia and your journey begins as you find the perfect mentor for yourself. Master multiple areas of the game and become the best Pet Trainer. Collect the many new types of pets and eggs for your collection. Face new challenges. Become stronger. Raise more pets. Raise your pets and collect the more rare eggs. You'll earn treasure and other pets during your journey to level 30. Update: You can now collect pet eggs from the farm. You'll get the opportunity to explore a new continent and new friends. Wizard's Citadel: The Wizard's Citadel (Dev Alpha 7) An island floating in the sky, a tower of a warlike race that has ended its warfare and is now home to peaceful and hospitable wizards. It lies in the center of the ocean, a symbol of this peace. Wizards live in the Wizard's Citadel and with them, many villages that are busy with daily life. The villages are connected by a highway. The highway is in turn connected to the southern continent of Ulmia. However, there are areas not accessible to the people of the Wizard's Citadel. Among these are the Gateway to the World and the Fortress of Gass, a place used by the tribe of war-like wizards that brought the threat to this peaceful place. The real adventure begins when you use the map to enter the Fortress of Gass and learn the secrets of this place. When you complete this, you'll receive a reward that can help you access the Fortress of Gass. The Fortress of Gass There are three parts to the Fortress of 82157476af
